

OUR WEST LANCASHIRE MEMBERSHIP APPLICATION FORM

Two party politics is failing us in West Lancashire. Labour and Conservative councillors are complacent and have to toe the party line. Time after time they fail to stand up for their local wards because they have to follow the dictates of their party. Whether in Ormskirk, Skelmersdale, Burscough or the villages, residents feel excluded and ignored.

Our West Lancashire is a group of local Independents formed in 2015. If you are civic minded; care passionately about your area and its residents; and appreciate the meaning of public service then come and join us. Whatever the time and talents you can contribute, please come forward.

Yes, I apply to join Our West Lancashire

I enclose cash/cheque made payable to Our West Lancashire (delete as applicable) for £10 for annual membership for the next 12 months. I confirm that I am not a member of any other political party.
